

Morningstar Add-In Installation Guide (Zip File)

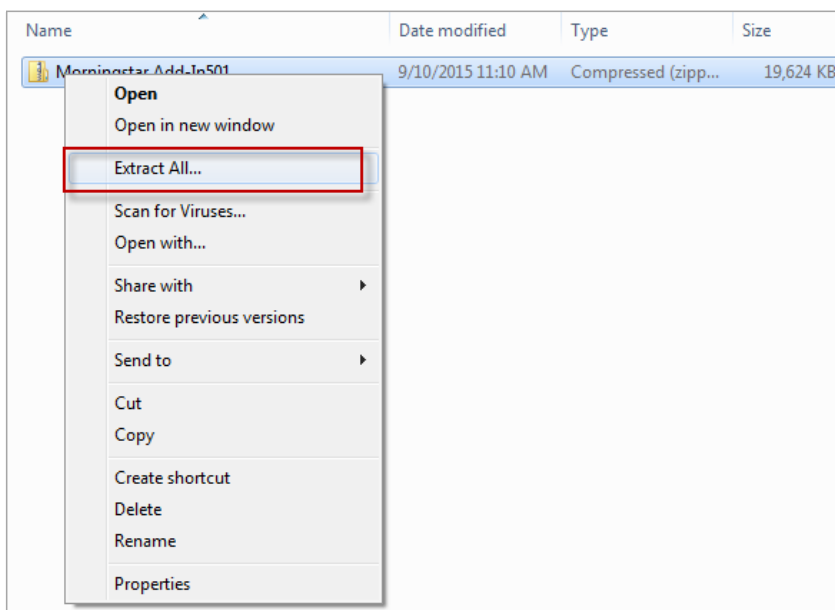

► Using the Zip File

From the Excel Add-In website, download the .zip file and save to your local drive

The Excel Add-In requires Microsoft .NET Framework 4.5.1. You can download it at <https://www.microsoft.com/en-us/download/details.aspx?id=40773>

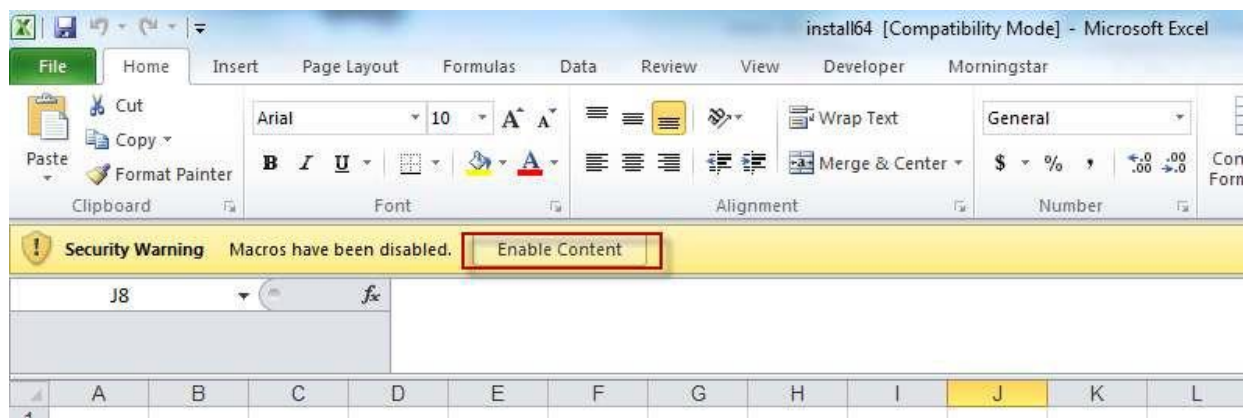

► Locate the Morningstar Add-In compressed file in your local drive where the file was saved and Extract the Zip File

- ▶ **Locate the install files, there will be two install files install.xls and install64.xls. Double click install.xls for 32 bit Excel or install64.xls for 64 bit Excel to install.**
